Trish

Thank you for sending this DRAFT operational plan – it is well developed considering how fast moving and fluid the situation has been.

I provided you with feedback on this DRAFT report at our 945am meeting in your office; review and improve the language and content in the Threat Assessment, explicit expansion of operational scope to include parallel demonstrations/risks beyond Freedom Convoy, explicit adherence to uniform/conduct policy for all participating members.

My appreciation to your planning team for their efforts to date.

ps

Hello Chief,
I am ¾ of the way through this, but figured you would want it sooner than later.

Good evening,

Here is the most current operational plan based on the intelligence and data from the recent hours. Staffing and tasking sheets are NOT attached and are still being formalized. They will not impact the overall operational plan.

We are standing up the Service Command Centre effective tomorrow to address future planning and staffing cycles as we progress through the weekend.

Russell
